WISDOM

January 2025

Dear Colleagues,

The Obstetrics and Gynaecology society of Wales Spring Conference is to be held at National Botanical Garden of Wales, Llanarthne, Carmarthen, SA32 8HN on [Friday 21st March 2025](#). As is customary, there will be an oral presentation session and a poster display throughout the day.

We are now inviting abstract submissions of audit, research and case studies completed during the past year by colleagues in Obstetrics and Gynaecology in Wales.

All submissions must be by email to Priyantha.Kandanearachchi@wales.nhs.uk, which is also available on WISDOM [Obstetrics & Gynaecology Society Wales Spring 2025 Conference - WISDOM \(nhs.wales\)](#)

Please follow the instructions on the second page. [The last date on which abstracts will be accepted is 28th February 2025.](#) All submissions will be acknowledged by email.

Please indicate clearly whether you are submitting for oral presentation, poster presentation or both. Successful authors will be notified by email.

All trainees are invited to attend the meeting, as are those whose work is accepted for oral or poster presentation. Registration Forms and the Spring Programme will be available on WISDOM very soon.

We hope you will be able to join us.

Yours,

Mr L R Shankar
