Dear Colleague,

We would like to invite you to attend the Society's Spring Conference which will take place at the National Botanical Garden of Wales, Llanarthney, SA32 8HG on Friday 21st March 2025.

We have invited excellent guest speakers of national and international fame who will give their valuable time and effort to support the meeting. A wide variety of topics will be covered taking care of everyone's interests. A detailed programme will be announced later. We hope to have an interesting session for open communication and poster display. The conference will give you opportunity to learn and update knowledge and meet with your colleagues of all grades in the beautiful environment of the National Botanical Garden.

Lunch on the day will be served in the Glass House of the Botanical Garden. There will be an opportunity to see the garden as well.

The society dinner will be held in Mansion House (Pant-yr-Athro), Llangain, Carmarthen, SA33 5AJ. It will be followed by an informal party with music inspired by the great success of the previous conference. Mansion House is nestled in beautiful country side with breath taking views of the Towy Estuary.

Due to the high demand of accommodation in West Wales I would advise you to contact surrounding hotels as soon as possible to secure a room. Links for some of the hotels are attached.

We hope you will be able to join and have an enjoyable and informative time with warm hospitality and beautiful surroundings of the National Botanical Garden of Wales.
