

30th August 2026

Dear All

We look forward to seeing you at the Society's Autumn Conference which is to be held at Llechwen Hall on Friday 6th November 2026.

Throughout the day, we aim to provide an update on topics relevant to the specialty of Obstetrics and Gynaecology. There will be refreshments and lunch provided to allow you the opportunity to network with friends and colleagues. There will be a poster display throughout the day, as well as trainee oral presentations, and we invite abstracts to be sent to ctm.ogsw@wales.nhs.uk (poster and oral presentation guidance available on WISDOM).

For our OGSW members, the business meeting will held over lunch.

This autumn, we are combining the conference dinner with the TWOGS ball - a chance for you to enjoy a three-course meal and then bust out the dance moves! Throughout the evening there will be raffle tickets and prizes available, all to raise money for PANDAS Cynefin Mama's - a support group for pregnant women and mothers seeking sanctuary (<https://pandasfoundation.org.uk>).

The registration form is now live for both the conference and the ball, and is available through the link provided below:
